ROAD FREIGHT SERVICES

NGFS offer a variety of road freight and road charter services to help you transport goods in the quickest and most efficient way possible. These range from light courier services, vans services, small truck to big truck including tail gate, box truck, bonded trucking to cross border, trailers, low-loaders and skeleton trucks. Transit times are scheduled to meet your requirements; from a dedicated vehicle, for the fastest possible route by road, to co-loads and consolidations for less urgent road freight.

CUSTOMS CLEARANCE SERVICES

Our customs clearing department takes care of all paperwork and procedures between customs and importers/exporters. This service ensures that all goods are accurately classified and that the correct import duty rates are charged, if applicable. All paperwork and records are handled and saved confidentially and securely. We will be one point of contact with customs and get your goods clear and ensure smooth delivery on your doorstep.

CROSS TRADE SERVICE

NGFS offer cross trade services. Are you buyer when cargo is moved between an origin and destination without it entering the country. No worries. We have dedicated teams of specialists, experienced in all aspects of cross trades to enable you to ship cargo direct from any origin to any destination

WAREHOUSE SERVICE

NGFS offer you the complete service from one source for the important aspect of warehousing. Long terms storage, short terms storage, consolidation, de-consolidation, transshipment cargo handling, order picking, labeling, re-packing.

SHIP SPARES IN TRANSIT

NGFS offer a global door to deck delivery services for ship spares and ship stores. We provided 24 x 7 dedicated services for all our ship spares and deliver onboard on time. We have experience staff to handle SSIT more than 10 years in global market. We also can arrange barge service to deliver spares on vessel anchorage.

CARGO INSURANCE SERVICE

NGFS offer full cover insurance for your cargo. Shipping with your cargo contact is protected by general conditions. These conditions limit the liability by carriers. In case of damage, this can mean that the owner of the goods may not be fully compensated for the damage suffered. You can add on insurance service by giving us transport information before freight. We will full cover your cargo by providing our insurance service.
